

Aluizio Marques Ballroom

7:00 – 8:00am

CASE REPORT SESSION

MULTIPLE SCLEROSIS

Chairpersons: *Jefferson Becker* (RS)

Oswaldo J. M. Nascimento (RJ)

Rodrigo Barbosa Thomaz (SP)

Windows of opportunities in multiple sclerosis treatment

Presenter: *Lucas Piccoli Conzatti* (RS)

Discussion

A challenging crossroad: to start treatment or to assure safety?

Presenter: *Juliana Machado Santiago dos Santos Amaral* (MG)

Discussion

Rapidly progressive dementia during multiple sclerosis treatment

Presenter: *Herval Ribeiro Soares Neto* (SP)

Discussion

8:00 - 10:00am

SCIENTIFIC SESSION

TOP 10 OF THE YEAR: HOW THE BEST PAPERS IMPACT OUR PRACTICE

Presenters: *Alfredo Damasceno* (SP)

Jefferson Becker (RS)

Panel: *Kazuo Fujihara* (Japan)

Hans-Peter Hartung (Germany)

Marcelo Matiello (USA)

Patricia Coyle (USA)

10:00 - 10:20am

NETWORKING – EXHIBITION HALL

10:20am - 12:05pm **EUROPEAN CHARCOT FOUNDATION SYMPOSIUM**
**DEFINING TREATMENT STRATEGIES IN OPTIMIZATION
OF MS TREATMENT**

Chairpersons: *Kazuo Fujihara* (Japan)
Marco A. Lana-Peixoto (MG)

Understanding pathogenesis to optimize treatment

Speaker: *Hans-Peter Hartung* (Germany)
Discussion

**Role of imaging biomarkers in treatment decisions and
monitoring**

Speaker: *Ludwig Kappos* (Switzerland)
Discussion

Role of treatment algorithms

Speaker: *Oscar Fernández* (Spain)
Discussion

When and how to choose induction therapy

Speaker: *Vanessa Daccach Marques* (SP)
Discussion

12:15 - 1:15pm **BIOGEN SYMPOSIUM**
Full programme available on page 36

1:30 – 2:30pm **MERCK SYMPOSIUM**
Full programme available on page 36

2:30 - 4:15pm **SCIENTIFIC SESSION**
TOPICS IN MULTIPLE SCLEROSIS - PART I
Chairpersons: *Rogério de Rizo Morales* (MG)
Maria Lúcia Vellutini Pimentel (RJ)
Renan Domingues (SP)

Should we start MS treatment with immunomodulators?

Yes, we should!

Speaker: *Tarso Adoni* (SP)

No, we should not!

Speaker: *Rodrigo Barbosa Thomaz* (SP)

The two sides of the coin: yes and no!

Speaker: *Ludwig Kappos* (Switzerland)

Discussion

Platform presentation V

Immunomodulatory effect of plasmacytoid dendritic cells is associated with decreased neurofilament light chain during Natalizumab therapy

Presenter: *Vinícius de Oliveira Boldrini* (SP)

Discussion

Platform presentation VI

The blockage of NMDAr decrease the inflammatory response of T helper cells in an animal model of Multiple Sclerosis

Presenter: *Wesley Nogueira Brandão* (SP)

Discussion

4:15 - 4:45pm

NETWORKING – EXHIBITION HALL

4:45 - 6:30pm

SCIENTIFIC SESSION

TOPICS IN MULTIPLE SCLEROSIS – PART II

Chairpersons: *Ronaldo Maciel Dias* (DF)

Rodrigo Kleinpaul (MG)

Thereza Cristina D'Ávila Winckler (PR)

Benign multiple sclerosis: does it exist?

Yes, it does exist!

Speaker: *Yara Dadalti Fragoso* (SP)

No, it does not exist!

Speaker: *Patricia Coyle* (USA)

One coin, two sides: yes and no!

Speaker: *Hans-Peter Hartung* (Germany)

Discussion

Platform presentation VII

Migraine as Multiple Sclerosis Misdiagnosis. A study of 1751 patients in a MS Center in Brazil

Presenter: *Rogério Vale Estanislau* (MG)

Discussion

Platform presentation VIII

Validity of the Brazilian version of the Patient Determined Disease Steps Scale (PDDS) in people with Multiple Sclerosis

Presenter: *Ana de David* (DF)

Discussion

6:30 - 7:30pm

POSTER DISCUSSION SESSION

PANEL IV: MS TREATMENT AND MULTIDISCIPLINARY CARE

Reviewers: *Bassem Yamout* (Lebanon)

Heloísa Helena Ruocco (SP)

Maria Fernanda Mendes (SP)

Rosana Hermínia Scola (PR)

Roberto Melaragno Fiho Ballroom

2:30 - 4:00pm

BASIC IMMUNOLOGY SYMPOSIUM - PART II

Chairpersons: *Renata Faria Simm* (SP)

Bruna Klein da Costa (RS)

Joseph Bruno Bidin Brooks (SP)

Tolerance and immunoregulation

Speaker: *Jean Pierre Schatzmann Peron* (SP)

Discussion

Immune response and T lymphocyte phenotype: Th1, Th2, Th17 and Tregs

Speaker: *Alessandro dos Santos Farias* (SP)

Discussion

Quiz: basic immunology and pathophysiology of multiple sclerosis

Speaker: *Jean Pierre Schatzmann Peron* (SP)

Discussion

4:00 - 4:30pm

NETWORKING – EXHIBITION HALL

4:30 - 6:30pm

YOUNG NEUROLOGIST SYMPOSIUM – PART II

Chairpersons: *Carlos Augusto de Albuquerque Damasceno* (MG)

André Luiz Muniz Alves dos Santos (BA)

Gustavo Medeiros Andrade Figueira (RJ)

Observership at an international MS Center: report of an experience

Speaker: *Juliana Machado Santiago dos Santos Amaral* (MG)

Discussion

Typical symptoms and signs in relapsing-remitting MS: CIS versus relapses

Speaker: *Giordani Rodrigues dos Passos* (RS)

Discussion

Primary progressive multiple sclerosis: what is it? How to diagnose it?

Speaker: *Rafael Paternó Castello Dias Carneiro* (SP)

Discussion

MRI evaluation of multiple sclerosis: what should we look for?

Speaker: *Carolina de Medeiros Rimkus* (SP)

Discussion
